

Up-skilling Record 2018/19

Up-skilling Record for [name]

For the period 1 June 2018 - 31 May 2019

A Young Professional Consultant is required to complete at least 50 up-skilling hours per year.

A Professional Consultant is required to complete at least 30 up-skilling hours per year.

INSTRUCTIONS & TIPS:

- Record presentation and networking time. Exclude travel time.
- Some training activities have a cap on the number of hours that can be recorded.
- You can record multiple events on each line of the Record Sheet if you wish or alternatively use the text box towards the end to record additional training or events you have attended.

1. How long have you been working in the agriculture and cropping industry? (The level of experience you have in the industry determines whether you are a Young Professional OR Professional Member.)

Select one.

- | | |
|-----------------------|---|
| <input type="radio"/> | Less than 10 years experience (Young Professional Member) |
| <input type="radio"/> | 10+ years experience (Professional Member) |

2. Please record the number of Up-skilling hours for each activity that you attended in the reporting period. Additional details about who delivered the event or training and/or its location would also be appreciated.
