

POSITION AVAILABLE

AGRONOMIST

This would be an excellent opportunity for a person looking to fill a gap during poor seasonal conditions or someone looking to expand their experience.

An Agronomist is wanted with a minimum of 3-4 yrs experience.

- Short term role initially required for a growing season (however may have potential to turn into an ongoing full time role dependent on how the north develops)
- To commence in late February 2020 and finishing in June
- Located in the Northern Territory
- Vehicle and accommodation to be provided.

This position is being offered by a member of Crop Consultants Australia. For more details and to discuss further please call 0458 259 002.
